Les Cheneaux Story Book Trail

Hessel School House • Open Dawn to Dusk, May - October

The Les Cheneaux Story Book trail was created by Hessel School House volunteers and staff in 2021. The trail winds through the wooded area west of the schoolhouse, where its former students once played imaginative games and built tree forts. Today, children of all ages enjoy the 18-station story trail while discovering fairy houses, ladybug crossings, and other magical things.

Donations to maintain the trail and purchase new books are always welcome. You can drop them inside or make a donation online www.hesselschoolhouse.org/donate

Hessel School House - Avery Arts & Nature Learning Center

In 2016, the historic Hessel School House opened as a 501(c)(3) nonprofit venue to enrich the Les Cheneaux community and the surrounding area. The Avery Arts & Nature Learning Center, housed inside this cherished renovated building, offers educational programs, cultural events, art exhibits, writers workshops, and more. Hessel School House is also host of the Snowy Owl Festival, held annually the first weekend in February and the Aldo Leopold Festival held annually the week after Memorial Day.
